About the Company

AQUA FERRO Trading Corporation was established in 2023 and offering a wide range of services to the pharmaceutical industry. Our areas of expertise include Workforce, Trading and Distribution of Pharmaceutical Raw materials, and Active pharmaceutical ingredients. We pride ourselves on providing comprehensive support throughout the supply and serving as a reliable sourcing partner for Pharma materials.

Over the past years, we have built a solid reputation as a highly innovative and respected service provider. This success can be attributed to the superior quality of our products, the unwavering commitment of our staff to customer service.

Why Us?

As a company founded on trust and dependability, does not compromise on their services and, as a result, the needs of their customers. We strives to provide for the needs of our customers worldwide, leaving no stone unturned in adhering to time limits and technical expertise, with a team of consummate, adept and open to change professionals

Mission

Aqua Ferro Trading Corporation is committed to maintain excellence, respect, and integrity in all aspects of professional and business conduct. We strive to reflect the highest ethical standards in our relationships with our Principals and Clients.

Vision

Our values and stringent quality standards in all aspects of business, has helped us to emerge as well reputed company in the Indian as well as Overseas Market.

What we do?

We help International companies with various services and not just sourcing of API's, Intermediates and Fine Chemicals but also provide host of services that too with highly competitive prices directly from the factories in India.

We specialize in providing full sourcing solutions for Pharmaceutical products from India, including technical and regulatory support.
